DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Brian C. Anscomb on 6/25/2007.

2. Please amend claim 1 as follows:

"A device for the electrical initiation of at least one pyrotechnic microcharge, characterized in that it comprises a support element having at least one electrically conductive portion connected to a first terminal of a central control unit, a second terminal of said central control unit being intended to be electrically connected to an electrically conductive support, the microcharge being located at a sufficient distance from said conductive support to be able to be ignited by localized heating of the support, this heating being carried out via the conductive portion placed in contact with the conductive support, just beneath the pyrotechnic microcharge, wherein the conductive portion is produced at least

at the top of a finger, said finger being positioned so as to bear via its top against the conductive support, and wherein the finger is mounted on a coil spring. "

Allowable Subject Matter

3. Claims 1-3 and 6-20 are allowed.
4. The following is an examiner's statement of reasons for allowance: The closest prior art fails to disclose, in combination with all the limitations of claim 1, a finger mounted on a coil spring with a conductive portion at least on the top of the finger and positioned so as to bear via the finger's top against the conductive portion.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Benjamin P. Lee whose telephone number is 571-272-8968. The examiner can normally be reached between the hours of 8:30am and 5:00pm on Monday through Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael Carone can be reached on 571-272-6873. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
